Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is responsive to the non-final Official Action dated June 2, 2004, having a term that expired on September 2, 2004. A petition for a three (3)-month extension of the deadline to December 2, 2004 is hereby made. The Commissioner is hereby authorized to charge the \$490.00 extension fee for a small entity to Deposit Account 50-0426. Favorable reconsideration is respectfully requested in view of the following Remarks.

The Official Action mailed June 2, 2004 initially indicated that it was a Final Official Action. However, on June 14, 2004, applicant's representative telephoned Examiner Q. Janice Li to inquire about the finality of the rejection. Examiner Li indicated that the Official Action was non-final, and the records at the United States Patent and Trademark Office reflected the non-finality of the Official Action. Accordingly, applicant respectfully submits the following remarks in response to the non-final Official Action.
